9. 2 Line managers

Line managers have roles and responsibilities as outlined in paragraph 10.3 herein below and to manage telephone usage in their units as they do all other council resources. Line managers are further responsible for:

- i) Making all employees aware of this policy;
- ii) Ensuring employee compliance with the policy;
- iii) Reviewing and evaluating needs and requests for telephone services.

9. 3 Municipal employees

All municipal employees are expected to familiarize themselves with the provisions of this policy and to comply with these provisions.

9. 4 Corporate Services Portfolio Committee

The Corporate Services Portfolio Committee shall be responsible to monitor and play an oversight role regarding implementation of this policy and shall, for this purpose, receive monthly reports on an approved template highlighting successes, challenges and departmental interventions towards achieving policy targets.

9 . 5 Council

Only the Council may approve this policy and any amendment thereafter through a decision of the majority of councillors in attendance of the meeting at which proposals in respect of this policy are considered.

10. Policy directive and procedures

10. 1 Provision of telephone services

- a) It shall be the responsibility of Council to provide all municipal offices or a combination of municipal offices with a reliable telephone service;
- b) Council may centralize its telephone operating system through which all outgoing and incoming calls shall be routed;
- c) The municipal switchboard(s) shall be housed in a safe and secure environment and the switchboard instrument as well as the office in which the switchboard is housed shall be provided with lockable device(s), the keys of which shall be in the possession of a person designated by the Accounting Officer.
- d) It shall be the responsibility of the switchboard operator to ensure that no unauthorized person obtains access to the switchboard(s) of the Council.

10.2 Telephone usage control measures

10.2.1 Pin Codes

- a) Each qualifying municipal official shall be allocated a secret telephone access pin code signed for and known to the employee who will be responsible for its protection at all times;
- b) The official in whose name the pin code is issued is responsible and liable for the usage of the pin code;
- c) Should an official suspect and have proof that his/her pin code may be used by another person he/she shall be expected to promptly report the matter to the Director: Corporate Services or a designated person who may upon consideration through a specified operating procedure issue or authorize the reissue of a new pin code;

- d) The owner of the pin code is still liable for any cost arising out of calls by someone who fraudulently obtained it;
- e) Reissuing of pin codes as contemplated under (c) above shall be limited to 2 occurrences per annum;
- f) Management may change pin codes frequently to mitigate fraud risks.

10.2.2 Direct and Switchboard(s) Lines

- a) The Accounting Officer shall determine which officials may have direct lines to their offices for use in connection with performance of their official duties;
- b) Except in the case of employees provided with private telephone lines, all outgoing telephone calls shall be directed through the switchboard(s) of the Council;
- c) It shall be the duty of the person making the call, before dialling the number required to indicate whether the call is official or private in nature;
- d) Where an employee has a direct dialling facility, that employee shall be obliged to maintain the telephone log book and submit it to the respective authority at the end of the month; or alternatively, to receive an electronically maintained record for which he/she shall declare and distinguish between private and business calls;
- e) The Council shall provide an electronic device for the monitoring of all outgoing telephone calls;
- f) At the end of each month, ICT Manager shall circulate a record of calls to officials bearing a pin code to declare private and business calls and provide the Finance Department with a complete list of officials who have made private telephone calls and cost thereof during the month in question;
- g) The Finance Department shall, on the basis of information supplied in respect of private calls made by an official deduct from such an employee's salary the full cost of private calls made including VAT for the month;
- h) No official shall make a call on behalf of or allow any unauthorized person to make a private call from either a direct telephone line or from the switchboard of the Council.

10.2.3 Call restrictions

- (a) Officials shall only be entitled to make international calls with the specific approval of the Municipal Manager;

(b) The Municipal Manager shall have the discretion to determine which officials with direct dialling facilities shall be allowed to make international, national, provincial and local calls only and telephones lines shall be suitably barred on the basis of this classification;

(c) Each official (pin code) shall be restricted to make calls to a specific amount per month and shall be automatically deactivated upon reaching the limit.

10.2.4 Private Calls

(a) The Municipality recognizes that there may be some occasions normally due to circumstances or an emergency where it is necessary for members of staff to make private calls.

(b) Staff should be aware, however, that the making of or receiving private telephone calls is by local arrangement only and is, therefore, a privilege and not an automatic right. The Municipality is therefore not obliged to provide allowance for private calls by officials.

(c) When making or receiving private telephone calls staff should take account of the following regulations :

(i) The making/receiving of private telephone calls should be kept to a minimum and be of short duration;

(ii) Private telephone calls should be timed whenever possible to ensure minimum disruption both to the work of the individual and to the workload of colleagues;

(iii) It is not acceptable for staff to conduct regular, private business or administration using the Municipality's telephone network. Any such abuse of the telephone system could result in the instances being considered to be of fraudulent nature, which may lead to disciplinary or criminal action against an official.

(iv) Such abuse could also result in the withdrawal of the facility to make private telephone calls.

(d) The telephone system is an organizational resource and use of the telephone can and may be monitored and an itemized listing of telephone numbers for a period will be produced.

10 .3 Control procedure

(a) The Corporate Services Department through the ICT Manager is responsible for monitoring the implementation to ensure that it functions as it is supposed.

(b) Line Managers are responsible for monitoring the conduct of their subordinations to ensure that they use the system for their official duties.

(c) S/he shall make such relevant comments for attention or information relating to his/her subordinates, which shall, where necessary, be used as evidence should a disciplinary hearing or such appropriate actions be necessary to be taken due to persistent abuse of the system by an employee.

10. 4 Telephone accounts

- a) The switchboard operator shall issue out monthly telephone statements of account for each official.
- b) Telephone statements shall be delivered to the managers, who will inspect such statements before distributing them to the respective employees.
- c) The Budget & Treasury Department shall make payroll deductions from employees' salaries in respect of private calls made.
- d) Each staff member shall after declaring the private calls sign the statement as an authorization that the cost of their private calls be deducted from their salaries.

11. Evaluation criteria

This policy will be evaluated every year to cater for legislative changes and in response to operating changes.

12. Policies related

Any prior existing policy or practice that regulated telephone usage to the extent that it refers to Ramotshere Moiloa Local Municipality's telephone usage or any of its provisions.

13. Discipline

Should any Director, manager and/or employee be found deviating from this policy in any way the municipality reserves the right to take the appropriate disciplinary measures against such Director, manager and/or employee.
